DECLARATION OF APPLICANT'S ATTORNEY ROBERT R. RICHARDSON

MS Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

I, Robert R. Richardson, declare and state as follows:

1. This declaration is being filed concurrently herewith in support of applicant's Petition for Revival of an Application for Patent Abandoned Unavoidably Under 37 CFR 1.137(a). A copy of the proposed response to the October 5, 2005 Office Action, which documents the oral election made November 9, 2005 and was filed with the Petition to Withdraw Holding of Abandonment on June 19, 2006, is enclosed herewith as Exhibit I to this Declaration.

2. The underlying facts are set forth as follows.

a. A Restriction Requirement (Exhibit A) was mailed on 3 October 2005 in the above referenced patent application. On 9 November 2005 at 1:25 PM (Pacific Time), Applicant's undersigned attorney called and spoke with Examiner Bui, the Examiner in charge of examination of the above-referenced patent application. See Applicant's attorney's itemized telephone bill of December 17, 2005, at p. 5 (Exhibit B). During the telephone call, Applicant's attorney elected

Application No.: 10/607,792

Docket No.: BA1-01-0588 (01-588)

Claims 1-18 for continued prosecution and the Examiner acknowledged the election of Claims 1-18 for continued prosecution. *See* Interview Summary (Exhibit C). Applicant's attorney asked the Examiner if a one month extension of time was necessary because the telephonic election was being made three days after the one month statutory period for response. *See Id.* The Examiner stated that the Office would take care of it. *See Id.*

b. Examiner Bui forgot about the call. *See Id.*

c. Applicant's attorney periodically checked Private PAIR to monitor status of the above-referenced patent application to check for issuance of a substantive action on the merits.

d. Applicant's attorney was out of the office from 26 April 2006 until 1 May 2006. An extended absence greeting on Applicant's attorney's voice mail stated that Applicant's attorney was out of the office from 26 April 2006 until 1 May 2006 and that calls would be returned upon return to the office on 1 May 2006.

e. The Examiner left a message on Applicant's attorney's phone on April 27, 2006. *See* Notice of Abandonment. Contrary to the statement made in the Notice of Abandonment, the Examiner's message was not to "confirm the abandonment" of the application. The Examiner's message instead was to discuss "status of" the application. Abandonment was not mentioned in the Examiner's message. *See* Telephone Call Record of 1 May 2006 (Exhibit D). Applicant's attorney called Examiner Bui at 8:26 AM on 1 May 2006 upon return to the office and left a message that the status of the application was that Claims 1-18 were elected via the teleconference on 9 November 2006. *See Id.*; *see also* Applicant's attorney's itemized telephone bill of May 17, 2006, at p. 6 (Exhibit E).

f. A Notice of Abandonment (Exhibit F) was mailed on 2 May 2006 – that is, the day after a message was left with Examiner Bui that the status of the case was election of claims 1-18 via the teleconference on 9 November 2006. Applicant's attorney received the Notice of Abandonment on 3 May 2006 (after close of business in Alexandria, Virginia). The Notice of

Application No.: 10/607,792

Docket No.: BA1-01-0588 (01-588)

Abandonment was the first indication to Applicant's attorney regarding abandonment of the patent application.

g. On 4 May 2006 at 8:45 AM (Pacific Time), Applicant's attorney called Examiner Bui to discuss the Notice of Abandonment. *See* Applicant's attorney's itemized telephone bill of May 17, 2006, at p. 7 (Exhibit G). Examiner Bui was unavailable, so Applicant's attorney left a voice mail message with Examiner Bui to discuss the Notice of Abandonment. Because Examiner Bui was unavailable, at 8:48 AM (Pacific Time) on 4 May 2006 Applicant's attorney called and spoke with Examiner Bui's supervisor, Supervisory Patent Examiner Cuneo. Examiner Cuneo said she would look into the situation and get back to Applicant's attorney by close of business on Monday 8 May 2006. *See Id.*

h. Applicant's attorney did not receive any call from Examiner Cuneo by close of business on Monday 8 May 2006. On Tuesday 9 May 2006 at 12:00 PM (Pacific Time), Applicant's attorney still had not heard from Examiner Cuneo. Applicant's attorney called Examiner Cuneo at 12:00 PM (Pacific Time) on Tuesday 9 May 2006 to follow up with Examiner Cuneo. Examiner Cuneo was unavailable, so Applicant's attorney left a voice mail message with Examiner Cuneo.

i. On 31 May 2006 at 10:30 AM (Pacific Time), Examiner Cuneo called Applicant's attorney and stated that the United States Patent and Trademark Office would make record of these events in the file and that Applicant must file a general petition under section 181 to withdraw the holding of abandonment. *See* Interview Summary. An Interview Summary was mailed on 14 June 2006 and received by Applicant's attorney on 17 June 2006.

j. A Petition to Withdraw Holding of Abandonment (Exhibit H) was filed on June 19, 2006, along with a Response to Restriction Requirement (Exhibit I), a Petition for Extension of Time (Exhibit J), and a Credit Card Payment Form (Exhibit K). A Decision (Exhibit L) in reference to the petition was mailed on September 25, 2006. The Decision dismissed the petition. *See* Decision mailed September 25, 2006, p. 2. However, the Decision stated that "in light of the

Application No.: 10/607,792

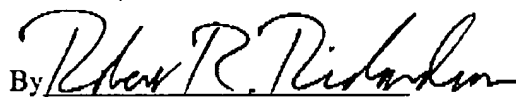

Docket No.: BA1-01-0588 (01-588)

circumstances of this case, petitioner may wish to consider filing a petition to revive [an application for patent abandoned unavoidably] under 37 C.F.R. 1.137(a)." *Id.*, p. 3 (emphasis supplied).

k. A Petition for Revival of an Application for Patent Abandoned Unavoidably Under 37 CFR 1.137(a) is submitted herewith.

Dated: October 10, 2006

DETAILED ACTION***Election/Restrictions***

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:
 - I. Claims 1-18, drawn to a passive terminator, classified in class 455, subclass 13.4.
 - II. Claims 19-28, drawn to a method of passively terminating first and second nodes, classified in class 379, subclass 413.
 - III. Claims 29-37, drawn to a system for transmitting and receiving signals, classified in class 710, subclass 100The inventions are distinct, each from the other because of the following reasons:

Inventions I-II and III are related as subcombinations disclosed as usable together in a single combination. The subcombinations are distinct from each other if they are shown to be separately usable. In the instant case, invention I has separate utility such as a passive terminator not using the method of passively terminating first and second nodes of II or the transmission system of III, invention II has separate utility such as a method of passively terminating first and second nodes not using the passive terminator of I or the transmission system of III, invention III has separate utility such as a transmission system not using the passive terminator of I or the method of passively terminating first and second nodes of II. See MPEP § 806.05(d).

2. Because these inventions are distinct for the reasons given above and have acquired a separate status in the art as shown by their different classification, restriction for examination purposes as indicated is proper.

3. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

Application No. 10/607,792

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative, Robert Richardson, called the examiner on 11/09/2005. The applicant's representative told the examiner over the phone that the applicant elected group 1, claims 1-18 in response to the written restriction. The examiner told the applicant it was acknowledged. The applicant asked the examiner if a one month extension of time was necessary since applicant was calling three days late. The examiner told the applicant that the office would take care of it. Later, the examiner forgot about the call. When there was no response received after 6 months, the examiner called and left to applicant a message about abandonment. The applicant called the examiner (and the examiner's supervisor) back a few days later on May 4th, 2006, but the examiner had already mailed out the abandonment form. On May 31st, 2006, the examiner's supervisor informed the applicant that the USPTO would make record of these events in the file, but that the applicant must file a petition and written response to withdraw the holding of abandonment.

Dear Sir:

A Notice of Abandonment was mailed in the above-referenced patent application on May 2, 2005. The Notice of Abandonment stated that the application was abandoned in view of Applicant's failure to timely file a proper reply to the Office letter mailed on 3 October 2005, and that no reply has been received. The Notice of Abandonment also stated that a telephone call was made to applicant's undersigned attorney on 27 April 2006 to confirm the abandonment of the application.

I. FACTS

The underlying facts are set forth as follows.

A Restriction Requirement (Exhibit A) was mailed on 3 October 2005 in the above referenced patent application. On 9 November 2005 at 1:25 PM (Pacific Time), Applicant's undersigned attorney called and spoke with Examiner Bui, the Examiner in charge of examination

of the above-referenced patent application. *See* Applicant's attorney's itemized telephone bill of December 17, 2005, at p. 5 (Exhibit B). During the telephone call, Applicant's attorney elected Claims 1-18 for continued prosecution and the Examiner acknowledged the election of Claims 1-18 for continued prosecution. *See* Interview Summary (Exhibit C). Applicant's attorney asked the Examiner if a one month extension of time was necessary because the telephonic election was being made three days after the one month statutory period for response. *See Id.* The Examiner stated that the Office would take care of it. *See Id.*

Examiner Bui forgot about the call. *See Id.*

Applicant's attorney periodically checked Private PAIR to monitor status of the above-referenced patent application to check for issuance of a substantive action on the merits.

Applicant's attorney was out of the office from 26 April 2006 until 1 May 2006. An extended absence greeting on Applicant's attorney's voice mail stated that Applicant's attorney was out of the office from 26 April 2006 until 1 May 2006 and that calls would be returned upon return to the office on 1 May 2006.

The Examiner left a message on Applicant's attorney's phone on April 27, 2006. *See* Notice of Abandonment. Contrary to the statement made in the Notice of Abandonment, the Examiner's message was not to "confirm the abandonment" of the application. The Examiner's message instead was to discuss "status of" the application. Abandonment was not mentioned in the Examiner's message. *See* Telephone Call Record of 1 May 2006 (Exhibit D). Applicant's attorney called Examiner Bui at 8:26 AM on 1 May 2006 upon return to the office and left a message that the status of the application was that Claims 1-18 were elected via the teleconference on 9 November 2006. *See Id.*; *see also* Applicant's attorney's itemized telephone bill of May 17, 2006, at p. 6 (Exhibit E).

A Notice of Abandonment (Exhibit F) was mailed on 2 May 2006 – that is, the day after a message was left with Examiner Bui that the status of the case was election of claims 1-18 via the teleconference on 9 November 2006. Applicant's attorney received the Notice of Abandonment on

ket No.: BA1-01-0588 (01-588)

3 May 2006 (after close of business in Alexandria, Virginia). The Notice of Abandonment was the first indication to Applicant's attorney regarding abandonment of the patent application.

On 4 May 2006 at 8:45 AM (Pacific Time), Applicant's attorney called Examiner Bui to discuss the Notice of Abandonment. *See* Applicant's attorney's itemized telephone bill of May 17, 2006, at p. 7 (Exhibit G). Examiner Bui was unavailable, so Applicant's attorney left a voice mail message with Examiner Bui to discuss the Notice of Abandonment. Because Examiner Bui was unavailable, at 8:48 AM (Pacific Time) on 4 May 2006 Applicant's attorney called and spoke with Examiner Bui's supervisor, Supervisory Patent Examiner Cuneo. Examiner Cuneo said she would look into the situation and get back to Applicant's attorney by close of business on Monday 8 May 2006. *See Id.*

Applicant's attorney did not receive any call from Examiner Cuneo by close of business on Monday 8 May 2006. On Tuesday 9 May 2006 at 12:00 PM (Pacific Time), Applicant's attorney still had not heard from Examiner Cuneo. Applicant's attorney called Examiner Cuneo at 12:00 PM (Pacific Time) on Tuesday 9 May 2006 to follow up with Examiner Cuneo. Examiner Cuneo was unavailable, so Applicant's attorney left a voice mail message with Examiner Cuneo.

On 31 May 2006 at 10:30 AM (Pacific Time), Examiner Cuneo called Applicant's attorney and stated that the United States Patent and Trademark Office would make record of these events in the file and that Applicant must file a general petition under section 181 to withdraw the holding of abandonment. *See* Interview Summary. An Interview Summary was mailed on 14 June 2006 and received by Applicant's attorney on 17 June 2006.

II. CONCLUSION

In view of the basis described above, Applicant respectfully requests entry, consideration and granting of this Petition to Withdraw Holding of Abandonment of the above-referenced patent application. Applicant respectfully requests withdrawal of the holding of abandonment and revival of the above-referenced patent application, and entry of the written Response to Restriction Requirement filed herewith. OFFICE OF PETITIONS

In re Application of :
Robert T. Beierle :
Application No. 10/607,792 : ON PETITION
Filed: 27 June, 2003 :
Atty Docket 03321-P0002B :

This is a decision in reference to the petition filed under 37 CFR 1.181 on 19 June, 2006, to withdraw the holding of abandonment.

This application became abandoned on 4 November, 2005, for failure to timely reply to the Office action requiring restriction and/or election mailed on 3 October, 2005, which set a one (1) month shortened statutory period for reply. No extensions of the time for reply were obtained in accordance with 37 CFR 1.136(a). Notice of Abandonment was mailed on 2 May, 2006.

Petitioner states that applicant's attorney telephoned the examiner on 9 November, 2005, and orally elected Claims 1 - 18, and asked whether an extension of time was required. Petitioner further avers that the examiner stated that "the Office would take care of it." Later, petitioner states, the examiner forgot about the call. Petitioner further asserts that the examiner left a phone message for the attorney to discuss the status of the application on 27 April, 2006.

Petitioner's argument has been carefully considered, but is not persuasive.

In this regard, 37 CFR 1.135 states:

(a) If an applicant of a patent application fails to reply within the time period provided under § 1.134 and § 1.136, the application will become abandoned unless an Office action indicates otherwise.

(b) Prosecution of an application to save it from abandonment pursuant to paragraph (a) of this section must include such complete and proper reply as the condition of the application may require...

The Office action mailed on 3 October, 2005, set a one (1) month shortened statutory period for reply. Petitioner, however, failed to timely respond to the Office action. As such, the application became abandoned for failure to timely respond to the outstanding Office action.

With regard to petitioner's assertion that the examiner "would take care of" the response, there is no showing in the written record to support that allegation. As MPEP 711.03(c) states, a delay caused by an applicant's lack of knowledge or improper application of the patent statute, rules of practice or the MPEP is not rendered "unavoidable" due to: (A) the applicant's reliance upon oral advice from USPTO employees; or (B) the USPTO's failure to advise the applicant of any deficiency in sufficient time to permit the applicant to take corrective action. See In re Sivertz, 227 USPQ 255, 256 (Comm'r Pat. 1985). Additionally, 37 CFR 1.2 states that the action of the Patent and Trademark Office will be based exclusively on the written record in the Office. No attention will be paid to any alleged oral promise, stipulation, or understanding in relation to which there is disagreement or doubt.

While this is an unfortunate situation, the Office is nonetheless precluded from granting the requested relief. The responsibility was that of the applicant to timely submit a response to the Office action, and applicant failed so to do.¹

As such, the showing of record is that the abandonment resulted from the failure to petitioner to respond to the Office action requiring restriction or election, rather than an error on the part of the USPTO.

As such the application is properly held abandoned.

The petition is DISMISSED.

¹ See In re Sivertz, 227 USPQ 255, 256 (Comm'r Pat. 1985); see also In re Colombo, Inc., 33 USPQ2d 1530, 1532 (Comm'r Pat. 1994) (while the Office attempts to notify applicants of deficiencies in their responses in a manner permitting a timely correction, the Office has no obligation to notify parties of deficiencies in their responses in a manner permitting a timely correction).

However, in light of the circumstances of this case, petitioner may wish to consider filing a petition to revive under 37 C.F.R. 1.137(a). A written response to the Office action mailed on 5 October, 2005, must also be filed with any petition to revive the application.

Any request for reconsideration must be filed within TWO (2) MONTHS of the date of this decision.
